

Morningstar Tax Certification Form – FATCA (US) and CRS (Other Jurisdictions) (not for platform Investor Use)

effective from 30 September 2021

What are FATCA and CRS? Some background

The US Foreign Account Tax Compliance Act (FATCA) and the Common Reporting Standard (CRS) are two ways in which a large number of governments are seeking to improve global tax compliance. Both require financial institutions to capture relevant information on foreign taxpayers, as follows:

- FATCA promotes cross border tax compliance by US taxpayers, by implementing an international standard for the automatic exchange of information related to those taxpayers. Australia has entered into an inter-governmental agreement (IGA) with the US to implement FATCA in Australia, to be administered through the ATO. The AUS-USA FATCA IGA requires the ATO to obtain detailed account information for U.S. citizens and/or taxpayers on an annual basis. The effect of this is that, to satisfy their FATCA obligations, relevant Australian financial institutions must identify any US taxpayers and report those taxpayers' financial account data to the ATO. The Tax Laws Amendment (Implementation of the *FATCA Agreement*) Act 2014 (Cth) gave domestic legal effect to the obligations by inserting Division 396-A FATCA into the *Taxation Administration Act 1953* (Cth).
- CRS is a global reporting standard, developed by the OECD, for the automatic exchange of information (AEOI). Its goal is to allow tax authorities to obtain a clearer understanding of financial assets held abroad by their residents, for tax purposes. Over 96 countries have agreed to share information on residents' assets and incomes in accordance with defined reporting standards. Once again, this means that financial institutions around the globe must provide tax authorities with taxpayer financial account data, and the financial institutions must therefore collect this information from their customers and pass it on. *The Tax Laws Amendment (Implementation of the Common Reporting Standard) Act 2016* (Cth) gave domestic legal effect to the obligations by inserting Division 396-C Common Reporting Standard into the *Taxation Administration Act 1953* (Cth).
